## An open letter to Bath Township Residents and Businesses:

The Bath Community Day Committee is busy making preparations for our annual Bath Community Day celebration, which takes place this year on August 7, 2010. The general schedule will be the same with the Bath Homeowners Association sponsoring their Pancake breakfast from 7:30 AM to 11 AM, (NEW LOCATION TO BE ANNOUNCED), with proceeds supporting Bath Community Day. The parade steps off at 11 AM from Ken Stewart's Lodge and travels down Cleveland Massillon Road to Bath Elementary School. This year we are honoring the 100<sup>th</sup> Anniversary of the Boy Scouts of America. After the parade, events of the day will be at the Bath Community Activity Center located at 1615 Cleveland Massillon Road where there will be live music, food, free inflatables, games and of course lots of fun from 12 Noon to 5 PM.

To accomplish all this we ask for help from our entire community because we know that it "takes a village" to make it happen. Each year we receive support and contributions from local businesses and residents, which we greatly appreciate. Due to continued economic challenges we have watched our neighboring communities cut way back or eliminate their annual community celebrations. But our sense of camaraderie here in Bath Township is very strong and we believe it's important for us to continue producing this special day. Last year over 3,000 residents came together to share our sense of pride and good fortune to live in this wonderful area. Your continued support allows us to make this happen and we sincerely hope that we may count on it again this year. Please know that all your contributions, no matter what size, are part of the big picture and everything counts. Your name or business, (if you wish), will be acknowledged in the Community Day flyer, on-site thank you boards and local newspapers.

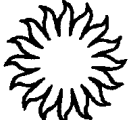

We are encouraging neighborhoods and local groups to join the parade and decorate a float or car and travel the parade route tossing candy to the crowd along the way. This is a great opportunity for a group to combine their creative efforts and have a lot of fun in the process.

Another way to support this event is to volunteer your services and become a member of the Bath Community Day Committee. Our small but mighty group has managed to produce this event for the past 13 years but we would like to encourage residents to consider participating in this way. It's a lot of work but we have fun doing it and there is a great sense of reward. From January through August we meet the third Tuesday of each month at 7 PM in the Bath Police Department Conference room.

Please call me if you would like to discuss Bath Community Day, donations or joining our committee. You may also refer to our website for further information and forms: [www.bathcommunityday.com](http://www.bathcommunityday.com)
